PIK SIX CARRYOVER – $18,988.00

Compute The Cost of Your PIK SIX Wager

	Race No. 3	Race No. 4	Race No. 5	Race No. 6	Race No. 7	Race No. 8	
No. of Selections	____ X	____ X	____ X	____ X	____ X	____ X	$2 = ____

Select the winners of races 3 through 8 and win or share in 75% of the day's net pool plus any carryover pool. A consolation payout of 25% of the day's net pool is paid out to those selecting the next highest number of winners.

If no one selectsall six winners, 25% of the day's net pool will be paid out to those selecting the highest number of winners. The remainder will constitute the next day's carryover pool.

ALWAYS hold your Pik Six ticket until the 8th race is official, in case you are entitled to any consolation payout.

If a horse is SCRATCHED or determined by the Stewards to be a NON-STARTER in the Pik-Six, the betting favorite, determined by the amount bet in the WIN pool, will be substituted for that horse.

Pik Six READER CARDS and RULES are available at information windows.

Compute The Cost of Your PIK 3 Wager

	Race No. 6	Race No. 7	Race No. 8	
No. of Selections	_____ X	_____ X	_____ X	$2 = _____

Select the winners of races 6, 7 and 8 to share in the net Pik 3 pool. ALWAYS hold your Pik 3 ticket until the 8th race is official in case you are entitled to a payout.

If a horse is SCRATCHED or determined by the Stewards to be a NON-STARTER in the Pik 3, the betting favorite, determined by the amount bet in the WIN pool, will be substituted for that horse.

If no one selects all three (3) winners, a payout is made to those selecting the highest number of winners. If no winners are chosen, the entire mutuel pool will be refunded.

HOW TO BET THE TRIFECTA

The object of the TRIFECTA is to select the first three finishers in order, in races 5 and 10. A minimum straight bet (1 combination) costs $2. However, you may BOX, KEY, WHEEL OR PART-WHEEL the Trifecta for $1 per combination, minimum bet $6. Here are examples of each for $1, all numbers are for EXAMPLE PURPOSES ONLY:

BOX – Tell the mutuel clerk "$1 Trifecta BOX 3, 4, 5."
A 3 horse box costs $6, a 4 horse box costs $24, a 5 horse box costs $60, etc.

KEY – You may Key a horse or horses to finish 1st, 2nd or 3rd. Tell the mutuel clerk "$1 Trifecta KEY 3 over 4, 5, 6."
This ticket would cost $6. The 3 horse could be Keyed for 2nd or 3rd and the ticket would still cost $6.

WHEEL – You may Wheel a horse to finish 1st, 2nd or 3rd. Tell the mutuel clerk "$1 Trifecta WHEEL 3 - 4, - ALL."
If the 3 and 4 horses finish 1st and 2nd, you would win the Trifecta regardless who finished 3rd since ALL was wagered. This ticket for a 12 horse field would cost $10.
Another example is tell the mutuel clerk "$1 Trifecta WHEEL 3 - ALL - ALL."
This ticket for a 12 horse field would cost $110.

PART-WHEEL – You may Part-Wheel a horse to finish 1st, 2nd or 3rd. Tell the mutuel clerk "$1 Trifecta PART-WHEEL 3, 4 with 3, 4, 5 with 3, 4, 5, 6."
This ticket would cost just $8 and give you 4 horses who could "finish-in-the-money."

Complete rules are available at information windows. Also, go to any BET HELP mutuel windows with any questions. A scratch in the Trifecta may entitle you to a refund. Please check your ticket carefully.

Every person who receives $600 or more in gambling winnings, if such winnings are at least 300 times the amount of a single wager, must have an Internal Revenue Service form filled out reporting same. Federal Income Tax must be withheld at the rate of 20% on any payment of winnings more than $1,000 (if at least 300 times the amount of the single wager) after the amount of the single wager has been subtracted. The person presenting the ticket must, under penalties of perjury, fill out IRS Form 5754 before the ticket is cashed.
